ACCOMMODATION
- amplitude changes in presbyopia 3
- —convergence and 260
- —myopic adults 237
- —"scotic response" in cat 606

Acuity, *see* Visual acuity

AGE
- accommodative amplitude changes 3
- —refractive changes after age 40 685

ALBINISM 88

AMBLYOPIA
- functional and social deprivation 244

ASSOCIATION OF SCHOOLS AND COLLEGE OF OPTOMETRY
- curriculum conference 432

ARCUS SENILIS
- blood cholesterol levels and 582

ASTIGMATISM
- after age 40 685
- —lens series design for 203
- —use of vector rules in determining 459

ATROPINE
- effect on myopia in monkeys 439

AUSTRIA
- Optometry in 103

AUTOMOBILES
- glass tint 344
- —running lights 164

AVIATION
- visual problems in low altitude flight 288

B

BELGIUM
- Optometry in 99

BETTER VISION INSTITUTE 182

BINOCULAR VISION
- fixation disparity 141

BLIND, PARTIALLY 557

BLOOD
- cholesterol levels and arcus senilis 582
